Answers to prayer

So many of us want God to provide an answer to our prayers, besides us. When we pray, it sounds like, "God please help that family have a great Christmas". But when God's answer is, "Give them your Christmas money; I need you to be that blessing". We respond with, "That's not what I was saying God. What I was saying is, could you please provide somebody else to be the Blessing".

God doesn't want us to just be ones who pray, He wants us to be answers to our own and the prayers of others. This is part of praying with fire, it is knowing that sometimes ***you will be the answer.***

Answering the Call

And I thank Christ Jesus our Lord, who hath enabled me,
for that he counted me faithful, putting me into the ministry;

Die to Christ

Did you know that Jesus didn't call us to live our best life? He didn't call us to have a perfect marriage and a nice house, to be that power couple with the beautiful family great success,. No, He didn't call us to do all of that.

What He called us to do, was to actually lose our life; He said if we lose our lives then we would gain it, and for many of us we are still trying to hold on to our lives. We're trying to find a way to make Jesus fit into it .

Jesus asked us to give it all up for Him. Yes we have to be crucified with Christ, that it is no longer I who live but it is Christ who lives through me. The reason why Jesus isn't living through us is because a lot of us are still holding on to what we find dear.

We're going to need to die in order to resurrect. If you're not willing to die to yourself then you cannot rise in Christ.
